

# Nomination Form

The guiding philosophy of the Rensselaer Alumni Hall of Fame is to recognize the “best of the best” as measured by discernible contributions by individual inductees, either of a sustained nature or of a one-time nature, to: humanity as a whole; a specific field of endeavor as a whole; or a unique niche area.

Nominee: \_\_\_\_\_  
(State name in which degree was awarded)

*Please attach a résumé or brief biography to support this nomination.*

The Selection Committee will consult the following criteria to select the nominees and will consider the accomplishments of the nominees in terms of the technology available in the late 19<sup>th</sup> and early 20<sup>th</sup> century:

**Reputation** – The degree to which the nominee is known nationally and/or internationally.

**Professional Achievements** – The degree to which the nominee has benefited society.

**Service and Career Contributions** – The degree to which the nominee has made an impact on the world with contributions beyond his/her professional achievements.

**Uniqueness** – The degree to which the nominee is a distinguishable and unique role model.

List the key reasons why the nominee satisfies the guiding philosophy, as stated above: \_\_\_\_\_
